

Remote Agent Registration Guide Lorem Solutions LLC

Step 1: Create a Profile

1. Click [HERE](#) to Register Register or visit <https://www.ariseworkfromhome.com>
2. Click the option to 'JOIN A SERVICE PARTNER', enter 1091809 in the IB ID box, and click SEARCH. Once you see 1091809 - Lorem Solutions LLC click NEXT to continue
4. Email us at office@loremolutions.com once you've completed registration so we can get you added to the business ASAP 🙌

*Please note: You MUST use the name that is associated with your Drivers License and Social Security. If you have recently been married or had a name change, you must make sure that your documents have been updated to match your last name before registering.

Step 2: Register as an Agent Working for Lorem Solutions LLC on the Arise Platform

During this step, you will confirm your name is spelled correctly and input your SS# and we will be informed that you have requested to join our team.

Step 3: Sign Documents & Validate Email

Once you have been accepted into the Lorem Solutions team, you will need to log in at portal.arise.com and view and sign the documents.

*** When you click "View and Sign" you must click inside the pop-up document, scroll to the bottom then the button will turn orange and allow you to sign.

We will then finalize your request to join our team! Please give us 24 hours to finalize.

While you wait for us to finalize your request, check your email and make sure you click the link to validate your email address.

Step 4: Select a Client Program

During this step, you will have access to the client opportunities board where you can see what projects are available. You have the flexibility to choose the client program that you would like to service. Our clients include many Fortune 500 companies such as cable companies, cruise lines, retail stores, and many more. All classes are FREE! There will be a \$30 background check fee when you register for your first class. The background check will be good for 36 months.

The client certification courses are typically anywhere between 5 and 30 days (M- F). Once you certify, you will be offered the opportunity to provide your services to that client and can start work immediately!

Make sure you review the checklist and the technical requirements before enrolling.

The client board changes often so if you don't see a client that suits you, be patient as something may come up that will match your talents and availability.
